Attention Mr. James S. Mize
Executive Officer

Gentlemen:

CITY OF COVINA
"EASTERLY ANNEXATION DISTRICT NO. 59"

In compliance with your request of November 10, 1969, we have reviewed the submitted legal description of the boundaries of this proposal for annexation of territory and report as follows:

1. In compliance with a request from the City of Covina dated November 18, 1969 to the Commission, we have revised a portion of the boundary of this proposal lying northerly of Ruddock Street to coincide with the northerly boundary of proposed "Easterly Annexation District No. 61" to the City of Covina.
2. The boundaries conform with record lines and proposed city boundaries.
3. This proposed annexation divides an existing island of unincorporated territory into three islands, two of which are completely surrounded by the City of Covina. Proposed "Easterly Annexation District No. 61" to the City of Covina consists of a portion of one of the completely surrounded islands.

4. No corridor of unincorporated territory is created by the boundaries.
5. The legal description as submitted requires revision.
6. Because of items 1 and 5 above, we have prepared the enclosed revised description which can be approved as to definiteness and certainty in accordance with Sections 54778 and 54790(f) of the Government Code.

All original papers regarding this matter and a list of cities and special districts involved are enclosed.

Yours very truly,
